BIO-NUTRIENTS

GENERAL INFORMATION:

TurfRx™ Supreme is a general plant nutrient designed for foliar applications. For use on turf fields and golf courses only.

APPLICATION GUIDELINES:

- Proper application rates and frequency should be determined by specific conditions and plant requirements.
- Always jar test before adding to a spray tank or injection.
- Spray and fertigation applications should be made with sufficient water, 50 mesh screens, and agitation throughout the application.
- When tank mixing with other chemicals, it is the responsibility of the end-user to assure compatibility and safety.
- Poly in-line filters should be replaced with stainless steel, if possible.
- Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk or street back onto your lawn.
- **In Virginia and Maryland:** This lawn fertilizer, which contains phosphorous, is intended only for non agricultural use on (i) turf during its first growing season, (ii) turf areas being repaired or renovated, and (iii) turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not intended for the routine maintenance of turf.
- **For Maryland turf,** this product is providing nutrients to specific soils as determined to be necessary in accordance with a soil test that was conducted by a laboratory identified under 8-803.7 of this article and performed no more than 3 years before the application
- Always consult your agronomist.

LIMITED WARRANTY AND DISCLAIMER

Limited Warranty: Redox Bio-Nutrients, LLC ("Redox") warrants that: (a) the product conforms to the chemical description on the label; and (b) the product is reasonably fit for the purposes set forth in the directions for use, subject to the inherent risks referred to therein, when it is used in accordance with such directions. Tests have not been conducted on all varieties of food crops and plants, or in all states, or under all conditions.

Limitation of Remedies: Buyer's exclusive remedy and Redox's obligation under this Limited Warranty for any and all claims, losses, damages or injuries resulting from the use or handling of this product, whether based in contract, negligence, strict liability or otherwise, shall be limited, at Redox's option, to a replacement or refund for the purchase price of the product used.

In no case shall Redox be liable for any special, incidental, or consequential damages based upon breach of warranty, breach of contract, negligence, strict liability, or any other legal theory. Such damages include, but are not limited to, loss of profits, loss of savings or revenue, cost of any equipment, facilities or services, downtime, the claims of third parties including customers, and injury to property.

No Other Warranties: This limited warranty is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between the parties

GUARANTEED ANALYSIS

Available Phosphate (P ₂ O ₅)	5.00%
Soluble Potash (K ₂ O)	4.00%
Boron (B)	0.14%
Copper (Cu)	0.30%
Iron (Fe)	0.30%
Manganese (Mn)	0.60%
0.60% Water soluble Manganese (Mn)	
Molybdenum (Mo)	0.003%
Zinc (Zn)	0.60%
DERIVED FROM PHOSPHORIC ACID, POTASSIUM HYDROXIDE, BORIC ACID, COPPER SULFATE, FERROUS SULFATE, MANGANESE SULFATE, SODIUM MOLYBDATE AND ZINC SULFATE	

WARNING BORON: The use of the fertilizing material containing boron on any crops other than those recommended may result in serious injury to the crop(s).

WARNING MOLYBDENUM: The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.
