

Dispatch® Injectable is a patented soil surfactant designed to produce cost effective results with lower rates than other conventional soil surfactant programs. Dispatch Injectable improves the infiltration and penetration of applied irrigation water and rainfall, and can be applied to all fine turf. Dispatch Injectable is formulated to be applied through irrigation systems.

General Use Guidelines

INITIAL APPLICATION: **IMPORTANT:** Begin applications at least one month prior to the onset of stress conditions. Under high stress situations such as presence of localized dry spot (LDS), above average growing degree day (GDD) and/or low rainfall, an application of **Aqueduct®** should be conventionally applied to problem areas 7 days prior to the first application of Dispatch Injectable.

Directions for Use

WHAT IT DOES: Dispatch Injectable improves the infiltration and penetration of applied irrigation water and rainfall. Improvements in moisture content are most notable during periods of moisture stress.

WHERE TO USE: Dispatch Injectable is recommended for use on fine turfgrasses such as those found on golf courses, athletic fields, residential and commercial and other highly maintained turf areas.

APPLICATION RATES AND FREQUENCY OPTIONS*: Inject **12-24 fl oz/acre** (1-2 L per hectare) on a weekly basis. For more difficult areas, Dispatch Injectable may be applied at **48 fl oz/acre** (3.6 L per hectare). Variables which impact performance and program application can be: soil type, turf type, presence of LDS (localized dry spot), quality of irrigation water, growing degree days (GDD), and rainfall intervals.

For application by conventional spray rig equipment, use **Dispatch Sprayable**.

*Recommendations assume **season long** program applications.

Precautionary Statements/First Aid Measures in Case of Contact

PRECAUTIONARY STATEMENTS

- Wear eye protection/ face protection.
- **If in Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a Poison Center or doctor/physician.

FIRST AID MEASURES IN CASE OF CONTACT

- **EYE:** Do not rub eyes. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.
- **SKIN:** Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.
- **INGESTION:** Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.
- **INHALATION:** Move individual to fresh air and check to ensure adequate respiration. Seek medical attention if necessary.

Precautionary Statements/First Aid Measures in Case of Contact (continued)

Applicators and other handlers should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove protective clothing and equipment after handling. Wash the outside of gloves before removing. Wash thoroughly and change into clean clothing.

For technical information and Safety Data Sheet (SDS), contact Aquatrols at 1-800-257-7797 or visit our website at www.aquatrols.com.

Storage and Disposal

- Keep container tightly closed. Store in original container only. Keep in a secure and locked storage area. Do not add water to the contents of this container.
- Triple rinse container and empty rinse water into spray or stock tank. Dispose of empty containers in accordance with federal, state and local law.

Condition of Sale Limited Warranty and Limitations of Liability and Remedies

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If the terms are not acceptable, do not use the product and instead, return the unopened product container immediately. By using this product, you accept the following Conditions, Disclaimer of Warranties and Limitation of Liability.

For technical information, contact Aquatrols Corporation at 800-257-7797. Information regarding the contents and levels of metals in this product is available on the internet at www.aapfc.org/metals.html

CONDITIONS: The directions for use on this label are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Insufficient performance or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions or good application practices, all of which are beyond the control of Aquatrols Corporation. In addition, failure to follow label directions may cause poor performance, injury to crop, animals, human, or the environment. You assumed all such risks by using this product.

DISCLAIMER OF WARRANTIES: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, AQUATROLS CORPORATION MAKES NO OTHER WARRANTIES OR REPRESENTATIONS OF ANY KIND, EXPRESSED OR IMPLIED, CONCERNING THE PRODUCT, INCLUDING NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL AND NO SUCH WARRANTY SHALL BE IMPLIED BY LAW. No agent of Aquatrols Corporation is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, Aquatrols Corporation disclaims any and all claims are waived any liability whatsoever for special, incidental or consequential damages or expense of any nature, including, but not limited to, loss of profit or income, resulting from the use or handling of this product.

LIMITATION OF LIABILITY: TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, the remedy for any losses or cause of action relating to injuries, damages or the handling or use of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid or, at Aquatrols Corporation's election, the replacement of the product. Aquatrols shall not be liable and any and all claims against Aquatrols are waived for special, indirect, incidental or consequential damages or expense of any nature, including, but not limited to, loss of profit or income.

- ✓ PATENTED WATER SAVING SOIL SURFACTANT
- ✓ IMPROVES INFILTRATION OF IRRIGATION WATER & RAINFALL
- ✓ IMPROVES PENETRATION OF IRRIGATION WATER & RAINFALL

CONTAINS NON-PLANT FOOD INGREDIENTS:

Guaranteed Analysis:
Active Ingredient
10.0% Alkoxyated polyols
7.0% Glucoethers

Inert Ingredient
83.0% Water

DANGER
Causes serious eye damage.

NOT RECOMMENDED FOR USE AS A FERTILIZER SUBSTITUTE

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.1001(c)
Registration Number: 2010034A
NOT A PLANT FOOD INGREDIENT.
